EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Ramin Mobarhan on 10/21/06.

The application has been amended as follows:

As claim 6, line 4, "control channels" has been changed to – second control channels --.

2. The following is an examiner's statement of reasons for allowance: the prior arts in the record fail to disclose or make obvious to a method for demodulating a first control channel comprising an identity of at least one subscriber and a number of second control channel, determining a position of identity within the received first control channel; selecting a second control channel in accordance with the determined position and demodulating the selected second control channel comprising information enabling a subscriber station to demodulation a traffic channel if the identity is identical to an identity of the subscriber station as stated the appeal brief argument and within a structure of the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
